

ASSOCIATE MEMBERSHIP APPLICATION

For businesses that serve the automotive aftermarket, but are not actually in the business of repairing automobiles. AASP-Missouri members are reminded monthly through their news publication that they should support those who support their association. Associate Members are included on website and may request a membership list annually. They are also eligible to all association benefits.

I submit this application for associate membership and promise to assist, whenever possible, in promoting the Alliance of Automotive Service Providers of Missouri and their goals.
